Is America's Relationship with God or with Gold?

Stop Your Complaining and Consider God's Power in Your Life

God's "Great Power", from above, is ready to descend upon us. This power is the "Power of the Holy Ghost!"...that is ready to transform (change) our lives and the lives of others.

Like a hidden treasure, the "Power of God" is an offering that most of us ignore. It is because of our limited knowledge of God that we may spend our lives in misery; we may lack things; we may want to see people being healed...but it never happens; we may need our own healing but we don't seem to get any answers. In order to have that "Divine Power", acting on our behalf, we need to activate it; otherwise it will be wasted.

We are "pure spirits" hidden by our intellects; we are immortal children of God...hidden in our human nature. We are very powerful beings, whose power is annihilated by our "lack of Faith."

The "Power of God", that He gives, is not restricted to any human being. It does not depend on our age or education. God gives this power to everyone who belongs to Him...His children, who live and obey His commandments.

God has revealed His Word to us, in the person of Our Lord and Savior, Jesus Christ. Jesus has given us all the knowledge of God, His Father...so that through our Faith in Him we can become God's children. Thank You Jesus!

Each of us has a wonderful ability to minister to each other without ever seeing each other or speaking to each other. We can secure for others the blessing of God without any contact physically...through prayer. Prayer is one of the most important ministries that we have toward one another.

**"For this cause we also, since the day we heard it, do not cease to pray for you, and to desire that ye might be filled with the knowledge of his will in all wisdom and spiritual understanding;" [Colossians 1:9]
As God's children, the treasures of Heaven are open to us even while we are here on earth; they are like a reward to those who are willing to follow Jesus.**

"And everyone who has left houses or brothers or sisters or father or mother or children or fields, for my name's sake, will receive a hundredfold, and will inherit eternal life." [Matthew 19:29]

As we become disciples of Jesus Christ, we receive His instructions on how to do the Will of the Father and we are given the "Power" to act as His instruments, His tools, His vessels.

This is my testimony, attesting to the "Power of God", to the Holy Spirit's Miracles being manifested through Prayer. Miracles have been proven! For your sake, for the sake of others and for the Glory of God the Father, please open your heart and share "God's Power", from above, with the world.

The knowledge you will obtain from the content of this disclosure is really a treasure that will make spiritually rich all those that believe. It is also a beautiful example that will inspire and encourage you to know, love and serve God as never before. The result will be the "Supernatural Power of God" being released in ways never imagined!

Words simply don't describe the joy that is encountered...living in communion with the Spirit of God. The gift of the Holy Spirit is not like any earthly gift that perishes. The gift from above is God Himself! Hallelujah!!!

Joseph, of Joseph and Mary of Nazareth, received inspirational Messages from God the Father. These expressions are here for you; they are waiting for you to read them, rejoice and discover the powerful gift that you have in you...as a child of God. [Luke 1:7, 27; Matthew 1:20; Luke 2:16; Matthew 1:16,18;, etc.]

The Holy Spirit's Miracles speak to our hearts through His Word. We experience great Peace when we realize that He is the "Great Power" who sustains the universe. He is the "Power of God" that is so close to us...even in our mouth, when we draw close to Him.

"But the word is very nigh unto thee, in thy mouth, and in thy heart, that thou mayest do it." [Deuteronomy 30:14]

Experiences with the “Power of the Holy Spirit” will become a treasure for anyone desiring to grow Spiritually, to increase their Faith or to learn how to pray for the Holy Spirit's Miracles. The indwelling power of the Holy Spirit will mold the soul of anyone with a humble and contrite attitude and a desire to have an intimate relationship with God. He is our true spiritual guide...the "Power of the Holy Spirit."

We live in a world of ups and downs, and our perception is that there are more downs than ups. Did God intend for life to be so difficult for us, or for His children to be plagued with...so much pain and suffering? No matter how it LOOKS, we must Stand on God's Promises! [Matthew 6:33; Isaiah 53:5; 1 Peter 2:24; Psalm 37:4; Psalm 84:11; Jeremiah 32:27, etc.]

We really can't answer that question, as we are not God. However, we do know that there is an aspect of our Christian life that is very underdeveloped...our Faith. Father, help us to develop our Faith by practicing it daily.

Perhaps if we were to develop this missing component of our lives, then we would not suffer so much or at the least we would cope much better with whatever life has to throw our way. We speak wholeness in our life...according to Your Word.

PRAYER

On our knees, heavenly Father, we come before Your throne and the great multitude of heavenly witnesses. We offer ourselves, body and soul, to You, Father God.

We adore the brightness of Your purity, the unerring keenness of Your justice, and the might of Your love and power. You are the Strength and the Light of our soul. In You we live and move and have our being.

We desire never to grieve You by unfaithfulness, to pray with all our heart, to be kept from the smallest sin against You. Mercifully guard our every thoughts, and grant that we may always watch for Your light, and listen for Your voice, and follow Your gracious guidance and instructions.

We cling to You and give ourselves to You and ask You, by Your love and compassion, to watch over us in our weakness. Holding the pierced Feet of Jesus and seeing His Five Wounds, and trusting in His Precious Blood and cherishing His opened Side and wounded Heart, we beseech You, Sweet Holy Spirit, Helper of all our infirmities...keep us in Your grace that we may never sin against You.

Give us grace O God, Sweet Holy Spirit, to say to You always and everywhere, "Speak Lord Jesus, for Your servant is listening." In Jesus Name we pray, Amen.

Dr. Pazaria Smith**
